RE: Council File 18-1101 Westwood Village Specific Plan

Dear Mr. Espinosa and City of Los Angeles Planning staff:

My name is _____ and I am a stakeholder in Westwood Village. I support the Westwood Village Specific Plan amendments recommended by the Los Angeles City Planning Department plus further amendments to eliminate parking requirements for business changes in use, and to allow off-site parking requirements to be met by lease in lieu of covenants.

Thank you.

Sincerely,

“ _____ ”
